

## **A celebration of India at Bromley Park Care Home**

**Our residents and staff enjoyed a wonderful day celebrating India at Bromley Park Care Home last week.**

We were treated to a fantastic performance of **Indian music and dancing** by our wonderful staff at **Bromley Park**. They are so talented and we all thoroughly enjoyed their lively songs.

Our residents enjoyed wearing their **flower garlands** and trying on **traditional Indian dress**.

They were also delighted to tuck into a **delicious feast of Indian curry, breads and side dishes**, expertly cooked by our brilliant Chefs.

*A memorable day was had by all!*
