

A Christmas concert with Niraali Patel at Bromley Park Care Home

Staff and residents at Bromley Park Care Home enjoyed a wonderful Christmas concert with Niraali Patel on Thursday 19 December. Niraali kindly volunteered to sing for our residents and they enjoyed listening to her songs from the big band era and a few Christmas carols too.

We also held a memorial service for Elsie, one of our beloved residents. Niraali sang Que Sera Sera in tribute to Elsie – we all have fond memories of Elsie singing this song. We will be planting a tree, donated by Elsie's family, when spring arrives. God bless Elsie x

Thank you Niraalil – you have such a beautiful voice.
