

A touch of Christmas sparkle at Bromley Park Care Home

Here at Bromley Park Care Home, it's become a bit of a tradition that our resident Gwen and our Non-Clinical Deputy Manager Donna put up a Christmas tree when the festive season arrives.

They really enjoyed decorating their tree together, adding the **baubles** and making it look just right. What a beautiful job they did too – we've all been admiring their handiwork.

Douglas, Rita and Colin also had fun decorating another Christmas tree together. The **snowflakes** really reflect the weather outside at the moment; we are definitely hopeful of a 'White Christmas'!

'Putting the tree up' always has such fond memories – a great way to reminisce about Christmases from past times and time spent with loved ones.

It's beginning to feel a lot like Christmas at Bromley Park!

Donna and Gwen did a fine job!
