

A very hoppy Easter at Bromley Park Care Home

Our residents at Bromley Park Care Home had a fantastic Easter with an abundance of Easter eggs and goodies.

There were even a few bunnies hiding eggs around our **Home** too!

As part of the celebrations, we got creative with our decorations; our ladies and gents **decorated Easter bunnies** which we made into a wonderful collage (complete with carrots!) to display in our **Home**.

Our residents were delighted to receive their **own special Easter egg** and our amazing Kitchen staff made some delicious buns and colourful iced cakes for everyone to enjoy.
