

Alzheimers Society cupcake day at Bromley Park Care Home

We had fun at Bromley Park Care Home last week creating cupcakes and sharing them around our residents as part of the Alzheimers Society 'Cupcake Day' initiative.

We had so many amazing and colourful cupcakes on offer - it was difficult to choose which one to have!

We raised over £30 from the sale of cakes and our resident Christine had so much fun showing them off on our dessert trolley!

Thank you to everyone who kindly donated to this wonderful charity.
