

Art and music at Bromley Park Care Home

On Saturday 14 January our residents at Bromley Park Care Home had fun with some canvas painting.

With a choice of bright coloured paints, they used a **heart stamper** and a **paint spreader** to create some great effects. There were lots of smiling faces during the activity and the finished pictures are great fun!

We enjoyed trying different painting techniques

Crystal and Philip enjoyed **reading through a woodwork book** together, after Philip had mentioned that he was a furniture maker. In the afternoon we listened to a **jive playlist**; our ladies and gents had a singalong and many danced in their chairs too. *It's always lovely to see our residents so happy.*

Crystal and Philip sharing a book about woodwork
