

Baking fun and pastimes at Bromley Park Care Home

Last week, our residents and staff had fun baking chocolate chip cookies at Bromley Park Care Home.

Dorothy, Kathy and **Pamela** all joined in and enjoyed mixing the cookie dough – once baked, everyone enjoyed *eating* the cookies as well!

Donald kept active with some football skills and **Dorothy** enjoyed looking through a book about Queen Elizabeth, she loved all the photos and having a chat to staff about it.

Dorothy loved making and tasting her biscuits
