

Baking red velvet cupcakes at Bromley Park Care Home

Baking

Residents Ken, Stephen and Kathy here at at Bromley Park Care Home happily joined in with making some yummy red velvet cupcakes last week; there were lots of sticky fingers and smiles!

Darcy the Teddy Bear

Our lovely Pamela couldn't wait to introduce me to her new teddy bear called "Darcy" that she received from her daughter – Pam is clearly in love.

Potted Flowers

Jean S, Jean B and Joyce enjoyed smelling the flowers they planted recently. They all closed their eyes when smelling the flowers. It was beautiful to see.

Our residents enjoyed baking last week!
