

Beckenham Quilters donate fidget blankets to Bromley Park Care Home

A huge thank you to Sherrie and Elise from Beckenham Quilters who visited us at Bromley Park Care Home on Thursday 25 October to donate a collection of lovely blankets to our residents.

[Beckenham Quilters](#) are an active group of 70 quilters who meet every month at Beckenham Methodist Church. They work on projects and enjoy developing skills individually and together.

We are delighted that they produced a beautiful range of quilted blankets for us to enjoy and it wasn't long before they were put to the test in our **Home**! They are already a huge hit, with their beautiful colours and fidgets accessories. Not only do they offer lots of tactile textures to engage the fingers and sooth the mind, but they are soft and warm too - a real comfort to our residents.

It was lovely to see Sherrie again - we know her well as her mother was a resident with us. Thank you ladies for coming to see us with such beautiful gifts - they will be used and treasured in our **Home**.
