

Berry tasting and new feathered friends at Bromley Park Care Home

Very berry!

On Sunday 9 July we enjoyed a berry tasting activity with our residents at Bromley Park Care Home.

We tucked into some delicious **strawberries**, **raspberries** and **blueberries**, accompanied by some delicious **whipped cream** – yum!

It certainly tempted our tastebuds and one of our residents said *"This looks lovely!"*. We all enjoyed tasting the berries; food tasting will definitely be something we'll be doing more of in future.

Feathered friends

Here at Bromley Park we have two new members of our family – **two little birds arrived last week** and they are settling well.

Our residents love walking around our garden and then relaxing watching the birds. *We as still deciding on names for them, so watch this space!*

One of our residents has also enjoyed doing a **jigsaw** with our Nurses, which is always lovely to see.
