

Birthday celebrations and a taste of Mexico at Bromley Park Care Home

Many happy returns

We celebrated Micheal's birthday here at Bromley Park Care Home recently and he was delighted with his birthday cake made by our Chef.

Pet Therapy

Our lovely residents have loved seeing **Jess the dog** this week. As you can see from Rita's face, she had really missed Jess as it's been a little while since we've seen her. Jess brings so much joy to our ladies and gents, and this time she sparked one of our residents to talk about their own personal experiences of when they had dogs – it was lovely to hear memories from **reminiscing**.

Mexican cruise

We've all thoroughly enjoyed our **Nellsar mini cruise to Mexican** too! We've loved decking our Home with bright decorations and **piñatas**, wearing **sombreros** and sampling a taste of **Mexican food**, with some delicious eats!

A great time was had by everyone and we look forward to our next virtual travel adventure!
