

Birthday celebrations and karaoke fun at Bromley Park Care Home

This week we have been busy celebrating one of our lovely resident's birthdays at Bromley Park Care Home.

She enjoyed our colleagues and other residents singing 'Happy birthday' to her and our Chef made her a **delicious diabetic cake** which was shared amongst our residents and thoroughly enjoyed.

We also hosted a **movie afternoon, plus karaoke session**, which was great fun! Our colleague Amanda particularly enjoying singing with our residents. *Such a good giggle!*
