

Birthday celebrations and regal photos at Bromley Park Care Home

This week we celebrated Esmeralda's 86th birthday here at Bromley Park Care Home, with coloured balloons, candles and a beautiful chocolate cake.

With the Jubilee approaching, our Recreation and Well-Being Team had fun creating **crown selfie photos** for our residents to enjoy; when they showed our ladies and gents the pictures, they loved them – *lots of fun and smiles all around!*

Gwen requested a **pampering session** and enjoyed having her nails done, followed by a hand massage with some lovely fruity smelling hand cream.
