

## **Birthday celebrations for Dorothy at Bromley Park Care Home**

### **Many happy returns**

**Last week we celebrated Dorothy's 94th birthday at Bromley Park Care Home with a beautifully decorated chocolate birthday cake, colourful balloons and staff singing 'Happy birthday!'**

Dorothy enjoyed her day and we all loved making her feel special and sharing a slice of her delicious cake.

### **Book worm!**

Our residents love books and Dorothy recently enjoyed reminiscing about the Sunday roasts she used to cook, while reading one of our **'Roast' recipe collection books**. *A mouth-watering read!*
