

Birthday wishes and flower arranging at Bromley Park Care Home

Christine's special day

On Tuesday 16 January we enjoyed celebrating Christine's birthday here at Bromley Park Care Home.

Christine had a super day and our Chef Trevor prepared her a **delicious puréed birthday cake**.

Many happy returns Christine!

Flower power

Our lovely residents **Rita and Gwen** took part in flower arranging together this week, with a **colourful selection of artificial blooms**.

They enjoyed mixing the flowers up and seeing their **eye-catching displays** and also enjoyed taking selfies with **flowers in their hair**.
