

Birthday wishes and karaoke fun at Bromley Park Care Home

Last week at Bromley Park Care Home we celebrated one of our resident's birthdays. He requested a lemon flavoured birthday cake, which we were only too happy to arrange and our team members sang 'Happy birthday' to him as part of the celebration.

Over the weekend we also enjoyed some **karaoke fun and dancing**; as you can see, Colin was very happy to show his dance moves and Rita and Gwen took part in singing on the karaoke machine. *Everyone had a great time!*

On Sunday morning, our resident Tony spent time reading a **book on the England Ashes**, which he thoroughly enjoyed.

Lighting the candles!
