

Birthday wishes for Stavroulla at Bromley Park Care Home

We celebrated Stavroulla's 89th birthday with a beautiful cake created by our talented Chef Ellen at Bromley Park Care Home.

Stavroulla's daughters came and celebrated her birthday in our garden and it was extra special as the sun was out.

And our ladies and gents have enjoyed a fun-filled week. We've played **ball games**, enjoyed **dancing and singing** and even **made our own pizzas!** *Delicious!*
