

## Bowling and Reading Club at Bromley Park Care Home

**On Saturday our Bromley Park Care Home residents enjoyed bowling together.**

So many of our residents took part, whether playing it themselves or cheering from the sidelines. It was great fun and when it was suggested to play another game, everyone just wanted to carry on.

On Monday we ran our **Reading Club** which our residents really like. They chose their own books and had a good time reading and relaxing.

A very enjoyable morning with **hot chocolate, tea and cakes too!** *Perfect.*
