

## **Bromley Park Care Home**

## **Bromley Park Care Home arrives in Egypt**

Our residents and team members had such fun this week here at Bromley Park Care Home, when we enjoyed some virtual travel to Egypt as part of our Nellsar mini cruise.

Don't we look a picture in our **Egyptian attire**, a tribute to the ancient history of this fascinating country!

We love travelling to different places from the comfort of our Home and always have a great time together.
