

Bromley Park Care Home celebrate Milk Chocolate Day

Here at Bromley Park Residential Care Home we celebrated Milk Chocolate Day on Thursday 28 July with different chocolates to be sampled by our residents and staff.

Donald, Dorothy, Gwen, Joyce, Kathy, Ken and Peter all particularly enjoyed the chocolates – choosing from traditional milk chocolate, white chocolate, mint chocolate and caramilk.

Donald and Peter had fun using the Pedaler as part of their exercise routine, while Gus used a beach ball. Ken, Phyllis and Gwen also had fun doing hoola hoop exercises with Douglas.

Another resident of ours named Peter indulged in reading a book about the British Isles and Phyllis enjoyed doing puzzles with Kayleigh.
