

## Bromley Park Care Home celebrates St Patrick and Red Nose Day

We celebrated St Patrick's Day with our residents on Sunday 17 March here at Bromley Park Care Home.

Our residents enjoyed some **non-alcoholic Guinness** in the afternoon, with some **lively Irish music** and **singing and dancing**.

Our ladies and gents also enjoyed companion time in different ways, from spending lots of time in the **garden**, to some **pampering**, **dancing** and **making bracelets**.

**Comic Relief's Red Nose Day** was also a good excuse for some fun! A number of our residents enjoyed wearing red noses, doing themed **quizzes** and **word searches**, plus some Red Nose Day **colouring** to mark the occasion.
