

## Bromley Park Care Home enjoys a busy week of activities

## Garden Centre outing

We took another trip out to Polhill Garden Centre this week with two of our Bromley Park Care Home residents, plus family members.

We enjoyed the **Christmas decorations** and later relaxed with a **cup of tea and cake**; thank you to team members Colin and Douglas for supporting with the trip.

## Karaoke fun

Some of our residents and relatives really enjoyed a **karaoke afternoon** we hosted at our Home. There was lots of **singing and dancing** and one of our residents took to the mic with his daughter-in-law to do a duet, which was lovely to see.

## Pet Therapy

We've also enjoyed a visit from **Speedy the tortoise** this week. Sam our Activity Coordinator brings her in regularly to visit our residents, who love spending time with her.

Our **jigsaws** have also been in full swing this week – *it's always super to see such concentration!*
