

Bromley Park Care Home gents celebrate Fathers Day with cake

Father's Day here at Bromley Park Care Home was celebrated with a beautiful cake made by our Chef Sanoj, covered with chocolate, cream, strawberries, kiwis and blueberries – *delicious!*

Our theme was '*red, black and white*' and we decorated with balloons and coloured napkins to match.

Our staff and residents' families all wished our gents a very '*Happy Father's Day*' and expressed how much we admire and appreciate them all.

There was lots of smiles, laughter and excitement with all the gifts!

A super day, enjoyed by all.
