

## **Bromley Park Care Home hosts SloMo Dance Crew**

**On Wednesday 14 September we welcomed 'The SloMo Over 60s Dance Club' to Bromley Park Care Home.**

They entertained our residents with their **energetic dance routines**, performed to all our residents' favourite dance tunes, with colourful feather boas and flower garlands.

There was lots of laughter and some of our residents enjoyed joining in dancing in their chairs. *It was a fantastic session!*
