

Bromley Park Care Home hosts summer party with live music

We had a super time on Saturday 5 September at Bromley Park Care Home when we came together to enjoy our summer party.

Usually an event like this would be buzzing with all our lovely relatives and friends, but this year was a little different, with Government guidance concerning social distancing.

However, we didn't let this stop the fun! Our residents thoroughly enjoyed themselves, with live musical entertainment from **Atlantis**, who performed a fantastic set of songs from the last six decades and really gave our **Home** a great atmosphere.

We also tucked in to a lovely **spread of delicious food and cakes** throughout the party.

Good times!
