

Bromley Park Care Home residents enjoy a choir visit

Our Bromley Park Care Home residents enjoyed our monthly choir visit last week.

We **printed out song lyrics** beforehand so everyone could participate fully if they wished. Many of our residents **enjoyed singing**, in particular **Rita and Ellen** who loved joining in with the songs – Ellen even got up with the choir at one point! Our **Jean** joined in by ringing her bells.

Janet was very happy cuddling Gerard the Giraffe and spent a happy afternoon with him as you can see. Meanwhile, **Engin** had fun with one of our **wooden puzzles**.

What a relaxing afternoon of music and pastimes.
