

Bromley Park Care Home residents enjoy a summer party

Our recent summer party was a wonderful success here at Bromley Park Care Home.

There were smiles all around as our residents, relatives and staff soaked up the fun atmosphere as they enjoyed a wonderful **Elvis impersonator**, who lit up our **Home** with his fantastic music and personality.

We also enjoyed time in our garden - and at the table tennis table! - as the weather was so good.

A spectacular buffet awaited our guests and we also held a raffle as part of our entertainments during the afternoon.

A brilliant day was had by everyone - *thank you to friends and family for joining us!*
