

Bromley Park Care Home residents enjoy a trip to Kelsey Park

Recently we took a trip out to Kelsey Park with our Bromley Park Care Home residents Jean and Colin.

They enjoyed **views of the lake** at the park and **feeding the ducks**, with a rest in the **cafe** for a muffin and cup of tea. *Perfect!*

Back at our Home, our residents tucked into **crumpets** and looked back at **old pictures to reminisce** – **Rita** particularly enjoyed her crumpet, and **Tony's** photos of choice were **old West Ham pictures**.
