

## **Bromley Park Care Home residents enjoy an outing to Kelsey Park**

**Our Bromley Park Care Home residents Tony, Stavroulla and Edna enjoyed a trip out to Kelsey Park last week. The sun was shining bright and it was a very warm autumn day, so they decided to make the most of the weather.**

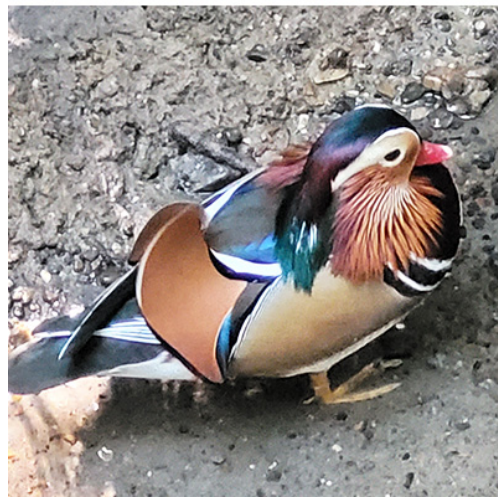

**Kelsey Park** is in Beckenham and historically formed the landscaped park of the Kelsey Manor Estate, with the river Beck running through it.

Our residents loved seeing all kinds of **flora and fauna**, with many different kinds of **trees** to spot, as well as many species of **birds**. They saw a huge variety of **flowers** in the spectacular herbaceous border, and a vast array of **wildlife**.

The group fed the **Canadian geese, ducks** and the **squirrels**, stopping at the Kelsey Park Cafe for **tea, coffee, muffins and even ice cream!**

It was a fantastic day out, enjoyed by them all. *We will definitely be returning to Kelsey Park soon!*

Enjoying the wildlife...
