

## **Enjoying music with Nicola at Bromley Park Care Home**

**We are delighted to welcome our new Recreation and Well-Being Co-ordinator, Nicola, to our team at Bromley Park Care Home.**

**Nicola** loves music and this week we spent the afternoon listening to her beautiful voice whilst she sang songs and played the guitar for our residents in our conservatory.

Our ladies and gentlemen really enjoyed her singing some old time classics by *Elvis*, *The Carpenters* and *Johnny Cash*.

***Thank you for a wonderful afternoon Nicola, it's lovely to welcome you to our Home.***
