

Bromley Park Care Home residents enjoy sunny garden tea party

Today at Bromley Park Care Home we celebrated the end of our Around the World with Nellsar Cruises with a British summer tea party in our garden.

The tea party was set up **outside under our pergola** with flowers and British flags, with a delicious spread of Battenberg cakes, cupcakes, pork pies, pork sausages, sausage rolls and scotch eggs.

The tea was served in our residents' **much loved tea set** which made the perfect centrepiece for such a sunny celebration.

We played **music** by Nat King Cole, Otis Reading, Vera Lynn, Elvis Presley and The Supremes to name a few.

The day was thoroughly enjoyed by our residents as the sun shone brightly for us all!

Enjoying a lovely cuppa!
