

Bromley Park Care Home residents make savoury snacks with Bibin

On Monday 16 May here at Bromley Park Care Home, our lovely Chef/Dining Room Assistant Bibin ran a baking activity session with some of our residents, which we called 'Bibin's Bake Off'!

He and our residents made some beautiful **folded savoury pastries**, packed full of tasty ingredients including cheese, onion and eggs.

Once baked, our ladies and gents thoroughly enjoyed eating them as an afternoon snack – *they were delicious!*

Well done to Bibin and our talented resident bakers!
