

Bromley Park Care Home residents pick perfect pumpkins at Polhill

Today some of our Bromley Park Care Home residents visited Polhill for a spot of pumpkin picking.

In preparation for Halloween **Jean, Rita and Ellen** arrived in search of the perfect pumpkin. They managed to find a **fantastic set of plump pumpkins** and we will enjoy carving them out.

Joyce, Claudia and Colin accompanied our residents who were excited to see all the **lovely decorations**. They visited the farm shop too and enjoyed a **cup of tea and lovely slice of cake**.

We will be returning to Polhill again soon to pick up some new Christmas decorations!
