

## **Bromley Park Care Home residents visit Crystal Palace park**

**On the morning of Wednesday 15 March, we went on a trip to Crystal Palace park with our dear Bromley Park Care Home residents Derick and Rita, accompanied by Colin, Joyce and Douglas.**

Our residents had fun viewing the **large dinosaur statues** in the park and loved taking in the **views of the lakes**.

They stopped for coffee, tea and a delicious slice of cake.

*Everyone really enjoyed the outing and fresh air.*
