

Bromley Park Care Home residents visit Greenwich Park

On Thursday 23 March we went on an outing to Greenwich Park with our lovely Bromley Park Care Home residents Jean, Colin and Raymond.

Everyone enjoyed the wonderful view of the city and walked around appreciating the beauty of the **flowers** and trees in the **park**.

It was a very pleasant walk and we stopped at a cafe for a **delicious coffee and cake**.

Supported by Claudia, Collin and Douglas, our residents had fun and really enjoyed spending time together in the **fresh air**.
