

Carers Week with cakes at Bromley Park Care Home

Last week at Bromley Park Care Home we celebrated Carer's Week with some beautiful cakes made by our very own talented Chef Ellen.

Her colourful creations looked stunning display on our cake stands and her feature cake was decorated with **icing, macarons** and **roses** on the top – *a delight for the eyes and tastebuds!*

Her beautiful creations were enjoyed by staff, and also our residents, who often express their gratitude for the wonderful care they receive here at our **Home**.

We also had a lovely visit from Alan, Nellsar's very own gardener and his gorgeous **British Bulldog Frank**.

Everyone loved Frank – and Frank loved the attention!

Hairdressing continued as always on Monday with our lovely **hairstylist Rob**. Our residents look forward to seeing him at the start of each week.
