

Cats cradle fun at Bromley Park Care Home

We love playing games here at Bromley Park Care Home and this week one of our team rekindled her enjoyment of 'cats cradle' using some wool, during some one-to-one time with our lovely resident Linda.

The two were very focused on their game, carrying out their moves with great dexterity - some were quite complicated, requiring good hand-eye co-ordination!

It was lovely to see them enjoying and reminiscing about the game together.
