

Celebrating Caribbean culture at Bromley Park Care Home

Our Caribbean Day was a real celebration at Bromley Park Care Home.

We played **calypso**, **reggae** and **soca music** to get everyone in the mood. Our residents and staff danced to the music and joined in with shakers and tambourines.

Our wonderful kitchen team served **authentic jerk chicken**, **rice and peas**, **pineapple salsa**, **gingerbread** and **fruitcake**. A wonderful feast for the eyes and tastebuds!

There were laughs and smiles all round – *a fantastic day full of colour and fun.*
