

Celebrating India Day at Bromley Park Care Home

On Wednesday 27 July we celebrated 'all things India' here at Bromley Park Care Home. ☺☺Some of our residents kindly helped our staff team decorate our table with colourful paper decorations, garlands and fresh flowers.

Our residents loved the beautiful turquoise saree **Crystal** from our **Recreation and Well-Being Team** wore and everyone commented on the beautiful bright decorations.

For lunch, our talented **Catering Team** made a delicious chicken curry for residents and staff enjoyed samosas, bhajias and pakoras with an array of chutneys. *Yummy!*☺☺

Dorothy, Barbara, Hilda, Kathy, Peter and **John** were all very happy to smile for the camera while enjoying the day's festivities and **Christian** created his very own sequinned salwar and everyone was impressed with his sense of style!
