

Chinese New Year arts and crafts at Bromley Park Care Home

We love our creative sessions here at Bromley Park Care Home, so for Chinese New Year we arranged some themed arts and crafts for our residents to enjoy.

Our ladies and gents loved decorating fans in the traditional Chinese colours of red, gold and turquoise and decorating them with craft stickers.

They also created some wonderfully colourful Chinese dragon masks, as well as paper stained glass windows in the shape of pigs, to celebrate 2019 being the 'Year of the Pig'.

These all look wonderful displayed on our windows - what an artistic group of residents we have here at Bromley Park!
