

## Christmas preparations at Bromley Park Care Home

**Last week was the start of our Christmas celebrations at Bromley Park Care Home.**

Our residents and staff got busy decorating **beautiful Christmas trees** and **making festive pom pom wreath decorations**, all the while getting in the spirit of Christmas with some festive songs and dressing up!

*It's beginning to feel a lot like Christmas in our Home now!*

Dorothy also enjoyed a **game of tennis** with Christian and Douglas, whilst Ken and Christian, and Douglas and Marcus enjoyed perusing **cookery and football books** together.

*Such a wonderful atmosphere in our Home – we can't wait for Christmas!*
