

Coronation Crafty Crown preparations at Bromley Park Care Home

Our Bromley Park Care Home residents Dorothy, Brenda and Rita have had a busy weekend adding the finishing touches to our fantastic coronation crown.

This will be our entry into **Nellsar's 'Crafty Crown Competition'** which is running across all the Homes in our Care Group.

Samantha, Louisa and Douglas have all helped with hours of **tissue crumpling** and **jewel making** to design a crown fit for all our kings and queens at Bromley Park.

We're all getting very excited about the coronation at the weekend!
