

Coronation preparations at Bromley Park Care Home

Our residents at Bromley Park Care Home have been busy with preparations for the upcoming coronation and the creation of our 'Crafty Crown'.

We are making some **button bunting** and Rita, Brenda and Dorothy have been sorting through our button boxes and gluing on the nice buttons we find. We love our Union Jack heart!

Colin and Gwen have worked hard **preparing a giant crown**.

We can't wait to show it off when it's finished!
