

Crafts and letters for loved ones at Bromley Park Care Home

Arts and crafts

Our residents here at Bromley Park Care Home enjoyed making pasta jewellery this week, by threading pasta through string and then painting them.

Rita chose pink, Gwen chose purple and Engin chose blue. Our residents were very happy with the results both before and after painting them. They enjoyed wearing them and they enjoyed making some for other residents who weren't able to take part.

Letters for loved ones

Our resident Colin enjoyed writing a Christmas letter to his late wife; he wrote it himself and then read it out to us.
