

Delicious BBQ food in the garden at Bromley Park Care Home

Well, what can we say? Our talented Brazilian Chef Ellen put on a fantastic display of the finest barbecue food here at Bromley Park Care Home on Thursday 22 July, as the sun shone in our garden.

Ellen was truly on fine form with lots of tasty **Brazilian treats**, an incredible spread enjoyed by all our residents and staff.

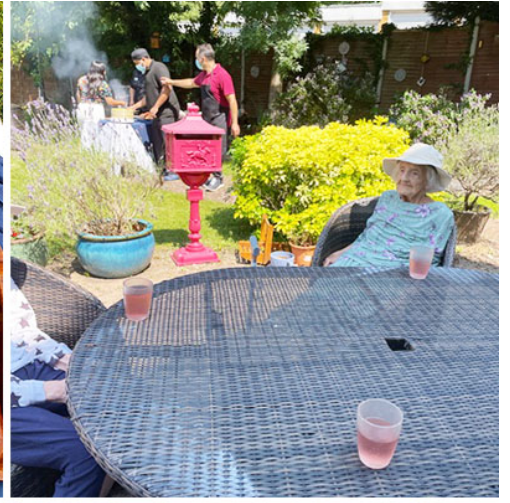

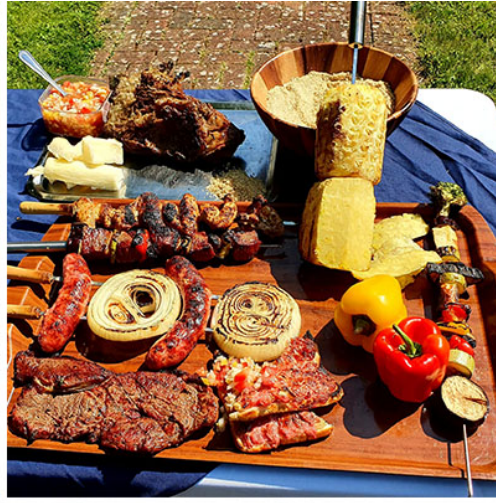

The delicious menu consisted of;

*Beef steak kebabs
Vegetarian kebabs
Brazilian sausages
Seared coalho cheese
Roasted pineapple and Farofa (a traditional Brazilian side dish made with toasted yuca flour or cassava flour)
Vinaigrette salad*

The smell of the meat searing on the barbecue was incredible; Eily, Kath and Dorothy all admired the cooking from a distance.

Ellen even created a special puréed barbecue selection for our residents who require different textured diets.

A delicious day at **Bromley Park**. Huge thanks to Ellen and her team for such a wonderful feast!

Incredible BBQ food, including beautiful puréed dishes
