

Diane and Joyce celebrate long service at Bromley Park Care Home

We recently celebrated two huge milestones at Bromley Park Care Home, when team members Diane and Joyce both celebrated exceeding 20 years' service with us at Nellsar.

Diane, Housekeeping Assistant

Diane started work back in 2002. She has an exemplary service record and always helps to bring a smile to our residents' faces with her incredible sense of humour.

Diane works tirelessly throughout our Home helping to keep the environment clean and tidy. She is completely committed to her role and is always available to help our residents with whatever they need.

Thank you Diane for everything you do, Bromley Park wouldn't be the same without you!

Joyce, Trainer/Assessor

Joyce joined the team at Bromley Park in 2003. She has cared for our residents in a number of roles in our Home, as a Carer and Senior Carer and has also worked in our kitchen. Most recently she has been helping to develop our Care Team as our In-house Trainer.

Joyce epitomises excellent care and has nurtured our Care Team to reflect the Nellsar values, ensuring all our Carers maintain the excellent person-centred care that we provide.

Thank you Joyce for all you have done to support our staff and residents at Bromley Park. We are lucky to have you.
