

## Dorothy at Bromley Park Care Home enjoys tennis and hearing from a friend

**Last week at Bromley Park Care Home, Douglas and Dorothy enjoyed a game of tennis together in our garden, which is rather fitting with the start of Wimbledon this week!**

Dorothy loves playing tennis and is always ready for a game.

She was also thrilled to receive a card in the post from a dear friend. She sat in the garden with her cup of tea to read it – *so special to see how much the correspondence meant to her.*
