

Enjoying our garden at Bromley Park Care Home

Last week at Bromley Park Care Home our residents spent a lot of time in our garden enjoying the beautiful warm weather, including enjoying some ice lollies to keep cool.

Tony enjoyed his morning coffee outside in the sunshine, whilst **Kathy** enjoyed tea and biscuits in the garden.

Eily loved opening her weekly letters and **Jean** enjoyed reading her magazines.

There has also been more pampering from our **Hairdresser Rob**, who enjoyed doing **Kathy's** hair just the way she likes it.

Relaxing with pastimes and hairdressing
