

Fathers Day musical celebrations at Bromley Park Care Home

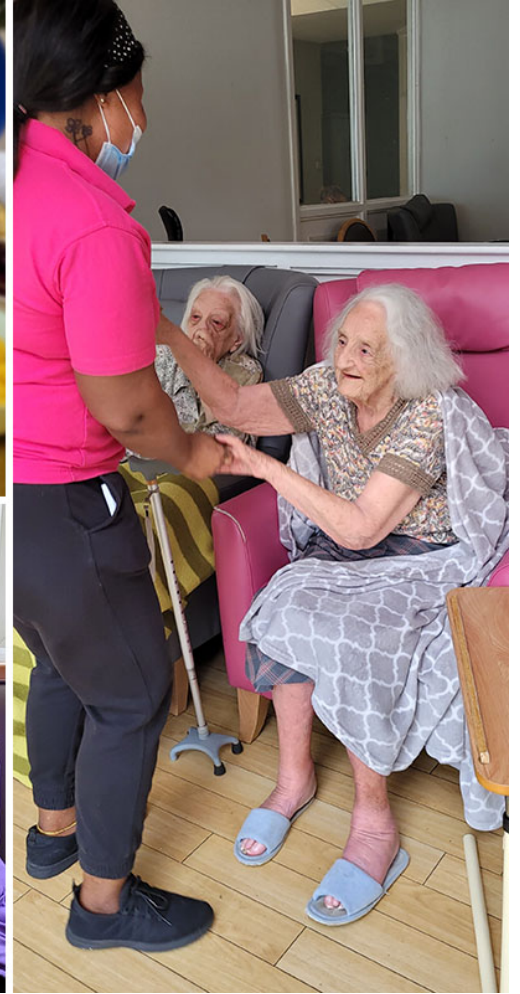

Our Father's Day on Sunday 19 June was celebrated with live entertainment from singer Anna Broadly here at Bromley Park Care Home. □

Anna sang all our **residents' favourite tunes** and took requests for songs from the audience, which was great fun.

We all enjoyed **singing, dancing and drinking together** and our catering team prepared a lovely decorated table with many **delicious nibbles and a cake for everyone to enjoy**. We displayed all our residents' lovely **Father's Day cards** on the table too so everyone could appreciate them.

Everybody had a really great day – *the smiles said it all!*

Father's Day fun and delicious nibbles!
