

## **Festive fun at Bromley Park Care Home**

**Our residents had a wonderful day dedicated to Christmas activities this week, with Christmas decorations and making a snowman at Bromley Park Care Home.**

Everyone enjoyed the **festive atmosphere** as we brought in some **snow from outside** to get building! Our **jolly snowman** has been a great addition to our Christmas cheer. *He looks very snuggly in his hat and scarf!*

Our festive decorations are gorgeous and we have fixed our **residents' Christmas stockings** to their doors, in the hope that Santa will pay us a visit!

*It's so wonderful to see the joy of the Christmas season all around us.*

Tree decorating and our jolly snowman!
